INGULGE THIS EASTER

Located in the idyllic French Languedoc region, Château Les Carrasses boasts 28 unique and stylish one to three bedroom residences. Luxurious extras include an infinity pool, tennis and volleyball courts, a brasserie and an irresistible wine bar.

THE FUN STARTS HERE

If you can tear yourselves away from the indulgences of the Château, there are idyllic cycling routes that lead you through the local vines or along the Canal du Midi, where you'll find perfect spots to throw down your picnic blanket and sample the best local delicacies. An afternoon pottering through the Saint Chinian's Sunday market is a must.

Little adventurers can climb and fly through the trees at Bourbaki park (ages 6+) while parents might prefer a behind-the-scenes wine tasting at La Clape.

EXCLUSIVE DEAL

Château Les Carrasses's special Easter deal can be claimed between 1 and 31 April. If you book five or more nights, you'll get a night free. Don't wait too long because bookings must be made by 1 April!

Claim your Easter break deal: lescarrasses.com/index.php or call 0845 686 8067 (UK local rate) or +33(0)4 67 00 00 67 (international).

Bon voyage!
